INTRODUCTION

Realizing the need for a top-notch local ELVIS Tribute Artist band in metropolitan St. Louis Area, The Busters were formed out of veteran players with national and international experience. Classically trained, audiences quickly realize that this group has the musical capability that few live ETA groups possess. What is truly unique is how The Busters can sound so close to Elvis' full show band musically and vocally. Their work is completely live and incorporates absolutely no sequencing or other automated tricks. The Busters create extremely accurate versions of Elvis' finest live work.

A COMPLETE OPERATION

A complete and turnkey production, tribute artists & producers no longer have to worry about:

- ◆ Getting a top-notch band with the ability and horsepower to do your show right.
- ◆ Hiring a production company to provide line gear, PA and lighting.
- ◆ Covering the exorbitant rates (fees & traveling expenses) charged by the top rated ETA bands from other cities to come to St. Louis for your show.
- ◆ Hiring a professional emcee to present your show properly to an audience.

...all at a price commensurate for a locally produced show.

WHAT'S PROVIDED

- A four-piece band consisting of two keyboardists, two lead guitarists, drums and bass.
- An opening set of music commensurate for ETA oriented audiences (when required).
- The ability to cover horn parts accurately without the added expense of several additional performers.
- Three part harmony with vocal ability with extremely accurate range & ability to cover female to deep bass vocals.
- An ever-expanding knowledge of the Elvis Presley song base with a library spanning his entire career.
- Professional quality voice-over intros and exits of the performance
- Versatile stage operated PA systems to suit the needs of coffeehouse to gymnasium and outdoor events.
- Self-supported 44-can light systems; complete with effect lighting (such as an 800-watt strobe) with the knowledge of Elvis' work to know where it needs placement in the show.
